

CAGE COUNT – POULTRY, RABBITS AND CAVIES SHIAWASSEE COUNTY FAIR

Everyone, adults and youth, must submit a cage count or a cage will not be available for your animal. **Submit a separate sheet for each species** (i.e.: one for rabbits, one for poultry). **The Superintendents need a SEPARATE CAGE COUNT for EACH EXHIBITOR and EACH SPECIES.** Clubs may be sent together, but send **every child's sheet so that the Superintendents can cross check entries against cage counts.** Independent exhibitors should send the cage count to the Fair Office with their entries. Cage counts must be in the Fair Office by July 8th. This page can be copied, you may get it in the Fair Office or you will find it at: www.shiawasseeountyfair.com. You will not receive it in the mail or get any further notification.

- _____ My birds will need a Pullorum test upon arrival at the Fair.
 - _____ All of my birds have come from a flock that has been Pullorum tested.
- Certification number must be presented upon arrival at the Fair.
